Services

**As the year draws to a close we are celebrating how proud we are of our work, our people, our great customers and the services we provide.**

For the seventeenth year running we were in the top 0.5% of the SIA ACS, firmly placing us as one of the industry leaders. During this very busy year we've successfully expanded our services, won some exciting and prestigious new contracts, and are working in new regions and industries.

We've warmly welcomed those new to us in our ever-growing team and recognised each month, our people who have gone above and beyond as so many of you regularly do so. Thank you!

Our teams have supported some great causes, with gifts collected for disadvantaged children for Christmas, our donation to the charity "Magic Breakfast", the sale of Poppy Appeal poppies, Breast Cancer Awareness Month fundraising activities and our Back on Track Charity support. Congratulations also to Alan Ennis our Regional Head of Operations who raised over £6,400 for the North West Air Ambulance by cycling 225 miles.

We've been thrilled to achieve recognition for the hard work and dedication of our teams and a special mention to the Water Gardens Harlow team who won an amazing three awards in succession.

We're now looking forward to 2023 when we'll be celebrating the Company's 20th Anniversary and our Service Excellence Awards in the Spring.

**Thank you to all of you for your hard work and dedication this year.**

Merry Christmas and Festive Greetings to everyone.
