

Refer a Friend Scheme

As one of the Top 20 Security Companies in the industry, we recognise that it's our people who've got us here. That's why we're always on the lookout for more talented people, just like you, to come and join us.

If you already work with us and have a friend, family member or ex-colleague who you think would fit right in with our new culture and values here's how you can make that happen:

- > Tell referral which role to apply for
- > Signpost them to our website to apply on line
- > When applying they can select employee referral when prompted and add your name and ID no.

On completion of their probation you will be paid £100!
